Dear Mr. Storke:

If the medal is what I think it to be, namely "City Medal for Females, instituted by the School Committee 1821", we have four of them, which is really all we want for exhibition purposes. We much appreciate your thought of us.

It may be that the American Numismatic Society, Broadway West of 156th St., New York City, might be glad to have it as a donation. They have a very large collection but always welcome any piece which they lack.

Yours sincerely
